

What happens when seven premium gin aficionados and a master distiller come together to craft a California style dry gin? You get Dutch & Dewey Distillery's Horse Mountain Dry Gin.

Dutch & Dewey Distillery's Horse Mountain Dry Gin is vapor phase infused in the still designed and manufactured by the owner/distiller that gently extracts the essential oils and compounds from the ten botanicals and produces carefully balanced, smooth, and complex tastes and aromas.

Awards include: American Distilling Institute's 2017 Judging of Craft Spirits Silver and SIP Awards 2019 Gold.

Enjoy our gin neat, on the rocks, or to enhance cocktails. Here's the recipe for our Bee's Knees with Darjeeling cocktail to get you started.

BEE'S KNEES WITH DARJEELING

Ingredients

2 oz Dutch & Dewey Distillery's Horse Mtn. Gin
1/2 oz Freshly Squeezed Eureka Lemon Juice
1/2 oz Local Honey Syrup*
1 oz Sun-brewed Darjeeling Tea Concentrate*

Directions

Combine gin, juice, syrup, and tea in a cocktail shaker, then fill with ice. Shake well for 10 seconds and strain into a chilled cocktail glass.

*Cocktail recipe courtesy of Aimee Hennessy
of Richard's Goat Tavern & Tea Room*

* Honey Syrup: Combine 1 cup of local wildflower honey with 1 cup of water in saucepan and bring to boil. Reduce to simmer and stir until honey dissolves (about 2 minutes). Immediately remove from heat, cool, pour into container, and store in refrigerator for up to 1 month.

* Darjeeling Tea Concentrate: Combine 2 cups of water with 7 Darjeeling teabags in a clear glass container. Place container in a sunny location for 24 hours, then remove teabags and place container in refrigerator for up to 2 weeks.

are handcrafted in the mountains of Northern California from captured rainwater and using solar- and hydro-powered energy in a sustainably run distillery. The small batch fractionating stills were designed and built by the owner/distiller to produce premium spirits. The American Distilling Institute certifies that Dutch & Dewey Distillery's spirits are entirely produced, distilled, and bottled on-premise.
