

Introduced in July 2015, our Old Town Eureka Coffee Liqueur is a custom blend of cold-brewed Old Town Coffee & Chocolate's Organic Custom-Roasted Coffee, Dutch & Dewey Distillery's Farm Horse Vodka, a minimal amount cane sugar for a touch of sweetness, and a hint of vanilla. The resulting product is distilled at 25% alcohol (50% proof). Award winner in the American Distilling Institute's 2016 Annual Judging of Spirits.

Enjoy our coffee liqueur by itself, on the rocks, with milk, over ice cream, in a milk shake, with a splash of cream (Dutch & Dewey's favorite), or to enhance cocktails. Here's the recipe for our Coffee Delight cocktail to get you started.
